**PUBLIC INFORMATION SESSION**  
*as related to the*  
**Atlas Missile Site No. 7, Vernon, Texas**

**Open House**

The U.S. Army Corps of Engineers will host a public meeting on 21 April 2005 to provide the public information about the Atlas Missile Site No. 7 investigations and to solicit comments and questions on the project. The meeting will be an informal open house. Interested persons may arrive anytime between 7:00 - 9:00 p.m. for the open house to visit the information tables, discuss the study with Corps personnel, and make comments. The workshop will be held at the following location:

**Vernon, TX**  
**Northside Independent School District**  
**18040 Highway 283**  
**Vernon, TX**  
**7:00 - 9:00 p.m.**

The workshop is part of an effort by the Corps to inform the public about the environmental investigation in progress at the Atlas Missile Site No. 7. Pursuant to authority under Section 104 of the Comprehensive Response, Compensation, and Liability Act (CERCLA or Superfund; Title 42, United States Code, section 9604) and Federal Executive Order 12580, in investigations have been conducted at the Atlas Missile Site No. 7, Vernon, Texas.

The findings from the investigations are presented in the Administrative Record File. Following the public meeting, the U.S. Army Corps of Engineers, Tulsa District, will be accepting public comments. Comments and questions can be forwarded to:
